

REMARKS

Applicant thanks the Examiner for making the Examiner's amendment and providing the Notice of Allowability. Per the swapping of one voicemail with the Examiner, the Examiner agreed to enter this 1.312 amendment to claims 7 and 12. Specifically, the prior amendment edited a clause in that language as follows "the client applications ~~and/or~~ and server insert." However, the inserting may be done just by the client applications, just by the server, or by both the client applications and the server. As such, Applicant respectfully requests the above amendments to claims 7 and 12 be entered. Applicant thanks the Examiner for the time and attention to this matter, and is available at 408-720-3411.

Please charge Deposit Account No. 02-2666 for any shortage of fees in connection with this response.

Respectfully submitted,
